# WELCOME

to today's Hampshire Slam Men's Finals' Day, which concludes a Slam season which has proven challenging in the second half of the seasons because of the vastly unsettled weather.

As such my immediate sentiment is one of thanks to anyone who has played a part in ensuring that we reach today's Finals with time to spare.

As I am sure you are aware The Slam seeks to play a different part to other cricket offered, as it tries to be more accessible and at the same time bring together the various midweek cricket options that exist across the county.

With that in mind I am delighted with the increasing engagement this year from regionalised competitions, highlighted in particular by MStars' appearance here today who were victorious in the Gordon Grace League leading to them taking part in the play-off stages of The Slam, which they came through at Fawley CC two weeks ago. I very much look forward to growing the work done with these competitions in the combined pursuit of getting more people playing our game.

That said, I am mindful that we are still very much in the formative stage of The Slam in Hampshire and know there is more that the competition can do to swell playing numbers. Therefore, I encourage you to engage fully with the end of season questionnaire that is now live at [www.slamcricket.co.uk](http://www.slamcricket.co.uk) and provide your feedback and ideas.

Finally, my thanks to all at Hampshire Cricket that have enabled this event to take place here, a venue truly befitting today's finale, which promises some enthralling cricket.

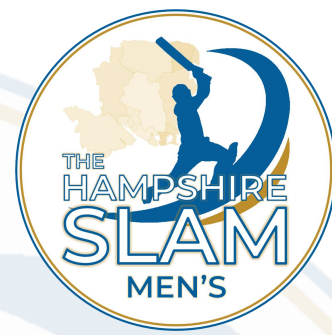

I hope you all enjoy the day,

# THE VENUE

We're delighted to have use of this fantastic facility at a Premier Cricket Ground, and our thanks to all at Hampshire Cricket who have contributed to enabling it.

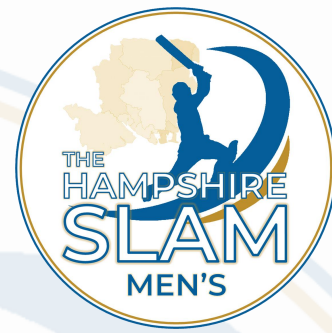

Please note the following details both in advance of / upon arriving, and during the day:

Upon arriving at the campus, please make your way anti clockwise around the ring road and park in Car Park 5 ONLY and then make the short walk farther around to the Nursery Ground pavilion, within which there are changing and toilet facilities that are available throughout the day.

Food and drink can be purchased from the Golf Club Bar, which is just a short walk from the pitch. Access is via the outer ring road and not from within the main arena itself.

# THE RULES

On the whole, all the normal laws of cricket apply in The Slam's competitions, but there are a few tweaks to ensure that games tick along at a good pace, most notably:

- The first 10 overs are bowled from one end and the second 10 from the other. Only the batters will change ends at the end of each over other than before the 11th over;
- Bowlers are restricted to a maximum run-up of 10m;
- The fielding team must have at least 4 fielders, plus the bowler and the wicketkeeper in the inner fielding ring at the point of the ball being bowled. A no-ball shall be called if this is not the case;
- Any delivery passing untouched down the leg side that is NOT within reasonable reach of the batter is a wide, unless the batter moves materially inside the line of the ball after it leaves the bowler's hand;
- All illegal deliveries result in 2 runs and NO extra delivery being bowled, except for the final over of the innings where it is 2 runs AND an extra delivery;
- ANY no-ball results in a free hit on the next delivery;
- Batters retire not out when the ball is declared dead after they pass 50 but can return after all other wickets are taken;
- Bowlers cannot bowl more than 4 overs each;
- In the event of a tie in any match today (regardless of wickets lost) a super over will take place, which will be decided by runs, then wickets, then boundaries over all 21 overs, then least extras, then bowl-out if necessary.
