

OFFICIAL DIGITAL PROGRAMME

SATURDAY 13TH SEPTEMBER 2025

WELCOME

to today's Hampshire Slam Finals' Day, which concludes a season which has been somewhat polarised with regards to the weather!

I've been glued to the Met Office app all week and there's every chance that today might require some hard work from the onsite grounds staff, and pragmatism from everyone else, so firstly I'd like to thank all at Hampshire Cricket for their efforts to get today on. It's great to be playing out the climax of the season at this impressive venue, and just a stone's throw from a barrage of runs for England's Men just under a week ago. Let's see if anyone today can recreate that level of shot making and bowling!

I'm delighted that we have been able to run two tiers of Women's competition a mere 2 years after the first was launched, which means a record 16 teams involved and an additional 40 fixtures to what is already an impressive amount of games played through the weekend league structure. In addition to that we have broken the 100-fixture mark in the Men's competition for the first time, which is very pleasing considering that it is designed to supplement the excellent work that is already done by several existing local competitions.

As ever, I am keen to ensure that what the Slam offers is meeting the brief of providing "more cricket for more people", as such I'd encourage you to engage with the end of season survey through your teams, which will open tomorrow, as this is primary source of key data and feedback.

I hope you all enjoy the day and please do not hesitate to stop me for a chat at any point.

THE VENUE

We're delighted to have use of this fantastic facility at a Premier Cricket Ground, and our thanks to all at Hampshire Cricket who have contributed to enabling it.

Please note the following details both in advance of / upon arriving, and during the day:

Upon arriving at the campus, please make your way anti clockwise around the ring road and park in Car Park 5 ONLY and then make the short walk farther around to the Nursery Ground pavilion, within which there are changing and toilet facilities that are available throughout the day.

Food and drink can be purchased from the Golf Club or Hotel Bars, which are just a short walk from the pitch. Access is via the outer ring road and not from within the main arena itself.

THE RULES

On the whole, all the normal laws of cricket apply in The Slam's Women's competitions, but there are a few tweaks to ensure that games tick along at a good pace, most notably:

- The first half of the overs are bowled from one end and the second half from the other. Only the batters will change ends at the end of each over other than at the midpoint;
- The fielding team must have 4 fielders, plus the bowler and the wicketkeeper in the inner fielding ring at the point of the ball being bowled (3 for The Cup). A no-ball shall be called if this is not the case;
- All illegal deliveries result in 2 runs and NO extra delivery being bowled, except for the final over of the innings where it is 2 runs AND an extra delivery;
- ANY no-ball results in a free hit on the next delivery;
- Batters retire not out when the ball is declared dead after they pass 50 but can return after all other wickets are taken;
- For The Cup only, the same number of wickets as there are players in the side must be taken to be 'all out'. The last batter will be allowed to continue. If they run an odd number then they will return to the facing end once the ball is declared dead.
- Bowlers cannot bowl more than 4 overs;
- In the event of a tie in the Final only (regardless of wickets lost) a super over will take place which will be decided by runs, then wickets, then boundaries across all overs faced that day, then least extras, then bowl-out if necessary.

THE RULES

On the whole, all the normal laws of cricket apply in The Slam's Men's competition, but there are a few tweaks to ensure that games tick along at a good pace, most notably:

- The first half of the overs are bowled from one end and the second half from the other. Only the batters will change ends at the end of each over except at the midpoint;
- The bowler's maximum run-up can be no more than 10m;
- The fielding team must have at least 4 fielders, plus the bowler and the wicketkeeper in the inner fielding ring at the point of the ball being bowled. A no-ball shall be called if this is not the case;
- Any delivery passing untouched down the leg side that is NOT within reasonable reach of the batter is a wide, unless the batter moves materially inside the line of the ball after it leaves the bowler's hand;
- All illegal deliveries result in 2 runs and NO extra delivery being bowled, except for the final over of the innings where it is 2 runs AND an extra delivery;
- ANY no-ball results in a free hit on the next delivery;
- Batters retire not out when the ball is declared dead after they pass 50 but can return after all other wickets are taken;
- Bowlers cannot bowl more than 4 overs each;
- In the event of a tie (regardless of wickets lost) a super over will take place, which will be decided by runs, then wickets, then boundaries over all 21 overs, then least extras, then bowl-out if necessary.
