**SUNDAY 20TH
AUGUST 2023**

WELCOME

to today's Surrey Slam Men's Finals' Day, which brings to a close a 6th season of this flagship competition.

It's fair to say that the last month or so of the season have been very tricky to navigate with the weather and as such my first thought is to thank every single one of you that have managed to ensure that we've even reached this stage with 8 teams qualified without the need for bowl-outs or coin tosses!! Recreational cricket is so heavily reliant on our volunteers and particularly so when it comes to getting pitches in a state fit for even just 40 overs.

I am humbled by the fact that a record 105 teams entered the Cup and Plate this season, and whilst it would be all too easy to think that alone means all is well, I am extremely conscious of whether there is more that we can do as a cricketing community to ensure that we are meeting the needs of all those that so clearly showed their appetite for the game during the recent challenging years. With that firmly in mind there will be a survey launching next week including a revised structure proposal for 2024 that I'd urge you to provide your opinions on.

Turning attention to today, my thanks go out to all at Valley End CC who offer so much to this day, they really have played their part in raising the standard of this event and I'm sure you will enjoy their hospitality.

Complimenting the wonderful facilities are our team of umpires and volunteer scorers who play a key part in the smooth running of the day, thank you for your contribution today, it is greatly appreciated. I hope you all enjoy the day and if you have any questions, please do feel free to come and ask.

CUP RULES

On the whole, all the normal laws of cricket apply in The Slam, but there are a few tweaks to ensure that games tick along at a good pace, most notably:

- The first 10 overs are bowled from one end and the second 10 from the other. Only the batsmen will change ends at the end of each over other than before the 11th over;
- Bowlers are restricted to a maximum 10-yard run-up;
- For the first 6 overs, the fielding team must have 7 fielders, plus the bowler and the wicketkeeper in the inner fielding ring at the point of the ball being bowled. Thereafter they must have 4 fielders in. A no-ball shall be called if this is not the case;
- Any delivery passing untouched down the leg side is a wide, unless the batter moves inside the line of the ball after it leaves the bowler's hand;
- All illegal deliveries result in 2 runs and NO extra delivery being bowled, except for the final over of the innings where it is 2 runs AND an extra delivery;
- ANY no-ball results in a free hit on the next delivery;
- Batsman retire not out at 50 but can return after all other wickets are taken;
- Bowlers cannot bowl more than 4 overs;
- In the event of a tie in any match (regardless of wickets lost) a super over will take place which will be decided by runs, then wickets, then boundaries over all 21 overs, then least extras, then bowl-out if necessary.

- Any delivery passing untouched down the leg side that is NOT within reasonable reach of the batter is a wide, unless the batter moves materially inside the line of the ball;
- All illegal deliveries result in 2 runs and NO extra delivery being bowled, except for the final over of the innings where it is 2 runs AND an extra delivery;
- ANY no-ball results in a free hit on the next delivery;
