

OFFICIAL DIGITAL PROGRAMME

MONDAY 25TH AUGUST 2025

WELCOME

to today's Sussex Slam Cups Finals' Day, which sees the top tiers of the Men's and Women's competitions conclude on the same ground for the first time since 2020's launch.

With that being the case, I am mindful of how far The Slam has developed in the county since that challenging year. 71 Men's and 16 Women's teams has grown to 124 and 26 respectively and last year saw over 2,800 players involved, which I expect to grow again this year.

That growth in the number playing more cricket could not be achieved without all of those in their respective clubs who have undertaken the administration, logistics and ground management, those people who often go overlooked but certainly shouldn't be undervalued. My thanks go out to you for your support throughout those years and I hope you feel inclined to keep with it.

Switching attention to the action on the pitch today, there are certainly some scores looking to be settled from previous Finals' Days on both pitches so there promises to be some entertaining action for you to enjoy wherever you look.

My final word is for our hosts. Horsham Sports Club have been steadfast supporters of The Slam from day one, which I am hugely appreciative of. It is great for all the players involved to play out a showpiece finale on fitting pitches throughout the day, and they certainly have that privilege here. In addition you have the excellent food and drink provision, which is available to all.

I hope you all enjoy the day,

MEN'S RULES

On the whole, all the normal laws of cricket apply in The Slam, but there are a few tweaks to ensure that games tick along at a good pace, most notably:

- The first 10 overs are bowled from one end and the second 10 from the other. Only the batter will change ends at the end of each over other than before the 11th over;
- Bowlers are restricted to a maximum 10 yard run-up;
- For the first 6 overs, the fielding team must have 7 fielders, plus the bowler and the wicketkeeper in the inner fielding ring at the point of the ball being bowled. Thereafter they must have 4 fielders in. A no-ball shall be called if this is not the case;
- Any delivery passing untouched down the leg side is a wide, unless the batter moves inside the line of the ball after it leaves the bowler's hand;
- All illegal deliveries result in 2 runs and NO extra delivery being bowled, except for the final over of the innings where it is 2 runs AND an extra delivery;
- ANY no-ball results in a free hit on the next delivery;
- Batters retire not out at 50 but can return after all other wickets are taken;
- Bowlers cannot bowl more than 4 overs;
- In the event of a tie in any match (regardless of wickets lost) a super over will take place which will be decided by runs, then wickets, then boundaries over all 21 overs, then least extras, then bowl-out if necessary.

WOMEN'S RULES

On the whole, all the normal laws of cricket apply in The Slam, but there are a few tweaks to ensure that games tick along at a good pace, most notably:

- The first 8 overs are bowled from one end and the second 8 from the other. Only the batter will change ends at the end of each over other than before the 9th over;
- Throughout the innings, the fielding team must have 3 fielders, plus the bowler and the wicketkeeper in the inner fielding ring at the point of the ball being bowled. For the semi final where it is 11-a-side, this shall be 4 fielders. A no-ball shall be called if this is not the case;
- Any delivery passing untouched down the leg side that is NOT within reasonable reach of the batter is a wide, unless the batter moves materially inside the line of the ball after it leaves the bowler's hand;
- All illegal deliveries result in 2 runs and NO extra delivery being bowled, except for the final over of the innings where it is 2 runs AND an extra delivery;
- ANY no-ball results in a free hit on the next delivery;
- Batters retire not out at 40 but can return after all other wickets are taken;
- Bowlers cannot bowl more than 4 overs;
- Last Batter Stands will be played in any 8 or 9-a-side match;
- In the event of a tie in any match (regardless of wickets lost) a super over will take place which will be decided by runs, then wickets, then boundaries over all 17 overs, then least extras, then bowl-out if necessary.
